Open this tax-free savings account in which individuals can hold additional money while maintaining government benefits.

Arizona

Elementary School Years

Home and Community Service Programs

If there is a wait list, update and contact your Division of Eligibility Unit/Economic Security annually to stay informed and up to date.

Individual Education Program (IEP)

Develop this legal document with your school district. It describes special education services for an individual with a disability between the ages of 3-22.

Special Needs Planning Attorneys

Consult with an estate planning attorney with expertise in special needs legal planning to assist with estate planning documents. Connect with either Academy of Special Needs Planners (ASNP) or Special Needs Alliance (SNA).

Care Guide (aka Letter of Intent)

Create this non-legal document to provide information for future caregivers. Update annually to reflect loved one's growth and changing interests and needs.

Arizona

Middle School Years

Home and Community

Service Programs

Continue to update your information and needs with your local state's office.

Self-Advocacy

Identify interests and strengths in school and the community. These results should be documented as part of their transition plan.

IEP Transition Plan

Plan for your child's transition from adolescence to adulthood. This is one of the most important things you can do to pave the way to a successful future.

Government Benefits

Review eligibility requirements for benefits such as Medicaid, Social Security, and Medicare.

Arizona

High School/Transition Years

Home and Community Service Programs

The Dept. of Economic Security and AZ Area Agencies on Aging collaborate and coordinate services to determine HCBS.

Transition Plan

Consider Post Secondary opportunities. Fully develop a transition plan and identify necessary adult services. Obtain a state ID card and register to vote, if applicable.

Guardianship, Powers of Attorney, and Supported Decision-Making

Determine which form of support, if any, is appropriate for the child when they turn 18.

Government Benefits

Connect with Social Security Administration at age 18 to apply for benefits.

Arizona

Adult Years

Transition Plan

Ensure plan encompasses all areas of adult living including work, leisure, self-advocacy, residential and post secondary education.

Housing

Consider independence of individual, location, and financial impact of housing decision.

Adult Service Agencies

Explore adult service providers for employment, transportation, day programs and living options.

Employment

Collaborate with transition team and vocational agencies including AZ Vocational Rehabilitation program. Consider the non-financial benefits of employment.
