

Pennsylvania

Early Intervention Years

Early Intervention

Connect with PA Early Intervention program to create an Individualized Family Service Plan (IFSP) which includes services, supports, and outcomes for children up to 3 years old.

Home and Community Service Programs

Determine eligibility by applying for Medicaid (Medical Assistance) service programs through the Dept of DHS .

First Responders

Informing local police and fire department of the details of your child's disability will make it easier for emergency responders to be successful if they are needed.

ABLE Account

Open this tax-free savings account in which individuals can hold additional money while maintaining government benefits.

Pennsylvania

Elementary School Years

Home and Community

Service Programs

If there is a wait list, be sure to update and contact the Dept. of Human Services Office of Developmental Programs annually to stay informed and up to date.

Individual Education Program (IEP)

Develop this legal document with your school district. It describes special education services for an individual with a disability between the ages of 3-22.

Special Needs Planning

Attorneys and Fiduciaries

Consult with an estate planning attorney with expertise in special needs legal planning to assist with estate planning documents.

Care Guide (aka Letter of Intent)

Create this non-legal document to provide information for future caregivers. Update annually to reflect loved one's growth and changing interests and needs.

Pennsylvania

Middle School Years

Home and Community

Service Programs

Continue to update your information and needs with the PA Dept. of Human Services Offices of Developmental Services.

Self-Advocacy

Identify interests and strengths in school and the community. These results should be documented as part of their transition plan.

IEP Transition Plan

Plan for your child's transition from adolescence to adulthood. This is one of the most important things you can do to pave the way to a successful future.

Government Benefits

Review eligibility requirements for benefits such as Medicaid, Social Security, and Medicare.

Pennsylvania

High School/Transition Years

Home and Community Service Programs

Contact PA Dept. of Human Services
Dept. of Developmental Services to see
when you may be eligible for services.

Transition Plan

Consider Post Secondary
opportunities. Fully develop a
transition plan and identify
necessary adult services.
Obtain a state ID card and
register to vote, if applicable.

Guardianship, Powers of Attorney, and Supported Decision-Making

Determine which form of support, if any, is
appropriate for the child when they turn 18.

Government Benefits

Connect with Social
Security Administration at
age 18 to apply for benefits.

Pennsylvania Adult Years

Transition Plan

Ensure plan encompasses all areas of adult living including work, leisure, self-advocacy, residential and post secondary education.

Housing

Consider independence of individual, location, and financial impact of housing decision.

Adult Service Agencies

Explore adult service providers for employment, transportation, day programs and living options.

Employment

Collaborate with transition team and the PA Office of Vocational Rehabilitation agency. Consider the non-financial benefits of employment.
